Theatre West Virginia

This year TWV performed a very different kind of play, Schoolhouse Rock. It centered around a young man waking up on the morning of his first teaching job. Clever up-beat songs reinforced principles of math, language, science, and social studies.

WVSD staff members served as shadow interpreters.

SKI TRIP

(Thanks, Lions Club!)

For many years the West Virginia Chapters of the Lions Club have sponsored ski trips for WVSD&B students to the Canaan Valley area. For many students this is a once-in-a-lifetime opportunity to learn this winter sport, and many are able to master it during their years at WVSD&B.
